ABOUT US

Super Global Host Trading and Contracting Company is a leading name in the trading and contracting industry, dedicated to delivering excellence through innovative solutions and unwavering commitment to quality. With years of expertise and a forward-thinking approach, we cater to a wide range of client needs, ensuring reliability and professionalism in every project. Our team of skilled professionals works diligently to maintain the highest standards of service, whether in sourcing premium

products or managing complex contracting assignments.

At Super Global Host, our vision is to set new benchmarks in the industry by fostering sustainable practices and delivering value-driven solutions. We take pride in our customer-centric approach, working closely with clients to understand their unique requirements and provide tailored services that exceed expectations. From trading high-quality goods to executing large-scale contracting projects, we aim to build lasting partnerships based on trust, transparency, and excellence. We specialize in the design, installation, and commissioning of Combined Cycle Power Plant and Solar Farm.

OUR MISSION

Super Global Host Trading and Contracting Company, our mission is to deliver exceptional trading and contracting solutions that exceed client expectations. We are committed to providing high-quality products and services through innovation, professionalism, and a customer-focused approach. By fostering trust, maintaining transparency, and upholding the highest standards of quality, we aim to build lasting partnerships with our clients and stakeholders.

We strive to contribute to the growth of sustainable businesses and communities by integrating eco-friendly practices into our operations and ensuring a positive impact on the industries we serve. Through continuous improvement and a dedication to excellence, we work towards becoming a leader in the trading and contracting industry.

OUR VISION

Super Global Host Trading and Contracting Company, our vision is to become a leading force in the trading and contracting industry, recognized for our commitment to excellence, innovation, and sustainability. We aspire to set new benchmarks in quality and efficiency, delivering value-driven solutions that empower businesses and communities to thrive.

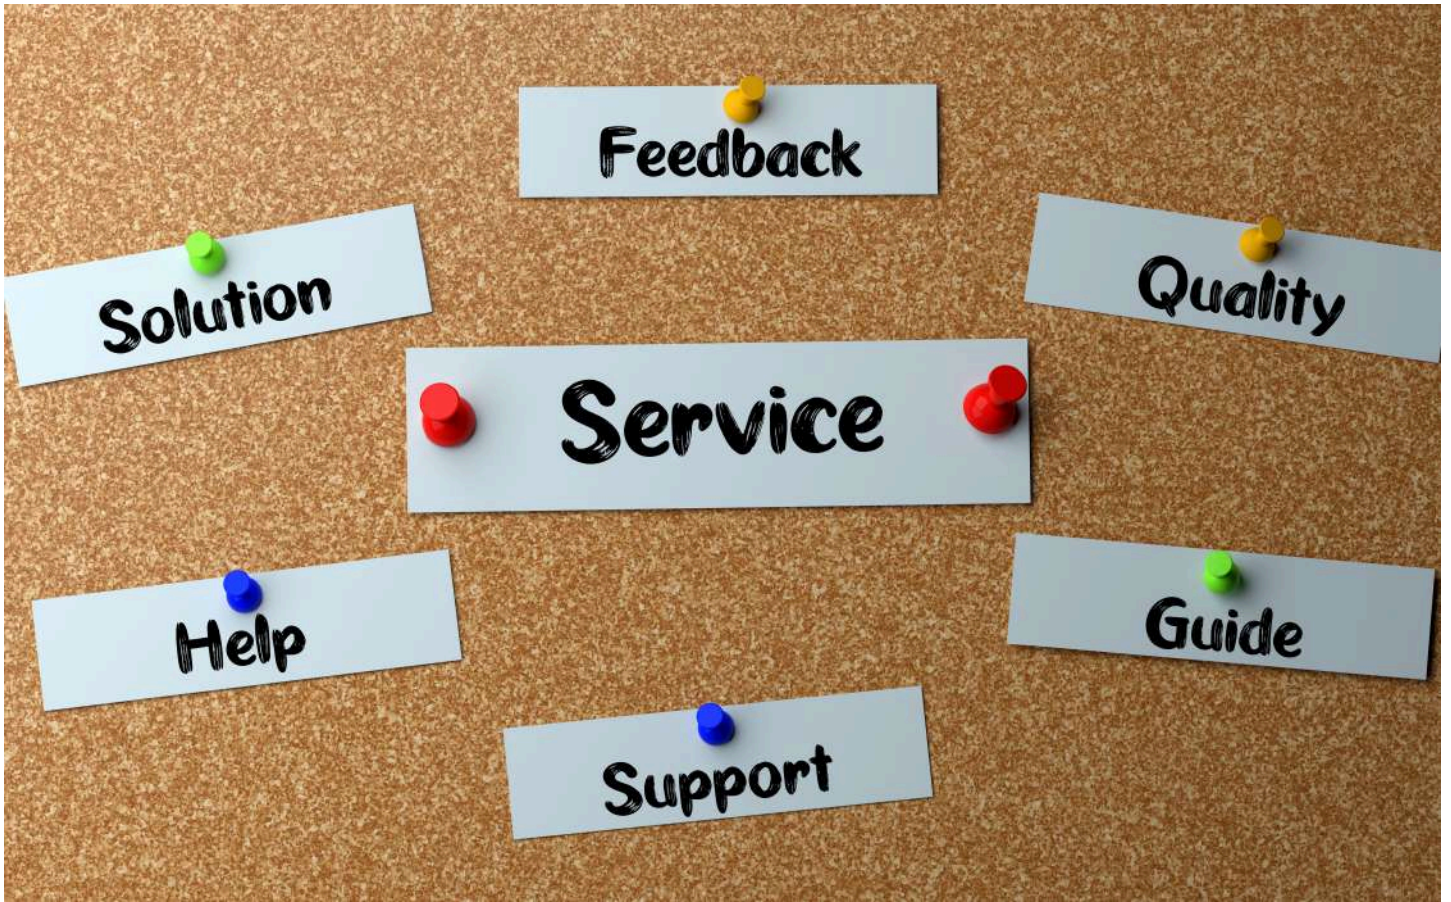

We envision a future where our dedication to eco-friendly practices, transparency, and customer satisfaction establishes us as a trusted partner in creating sustainable growth and long-term success. By consistently exceeding expectations, we aim to shape a better tomorrow for our clients, employees, and stakeholders.

OUR VALUES

Super Global Host Trading and Contracting Company, our values guide every aspect of our business and define how we operate. Integrity is at the core of everything we do, ensuring honesty, transparency, and trust in all our relationships. We are driven by a commitment to excellence, striving to deliver top-quality services and products that exceed expectations. Our customer-centric approach places clients at the heart of our operations, as we work diligently to understand their unique needs and provide tailored solutions.

OUR SERVICES

We offer a comprehensive range of services designed to meet the needs of industries like Al Marai KSA. Our Installation & Maintenance Services include the setup and upkeep of essential equipment, from AC units to fire systems. Plumbing & Drainage Services ensure seamless water management, while Civil Construction Services handle everything from concrete works to flooring replacements. We prioritize Safety & Equipment Services by providing safety audits, gear, and personnel. Our Electrical & Automation Services focus on installations, repairs, and diagnostics. We specialize in HVAC & Refrigeration Services, ensuring optimal climate control. Additionally, we provide Materials Supply & Fabrication and Cleaning & Refurbishment Services to maintain the quality and functionality of your facilities.

1.INSTALLATION & MAINTENANCE SERVICES

Our Installation & Maintenance Services provide essential solutions to ensure the smooth operation of your facilities. We specialize in the installation of eye wash & shower systems, lifting and lowering of split AC units, and split AC repair and servicing for optimal climate control. Our services also include the installation of Turbo Air Ventilators and thorough milk tanker cleaning (both internal and external). Additionally, we offer fire hydrant supply and installation, electrical lighting fixtures installation, and fabrication and installation of door hinges. Our expert team ensures all systems are properly maintained and inspected for long-term reliability and performance.

SERVICES UNDER INSTALLATION & MAINTENANCE

- Installation of eye wash & shower
- Lifting and lowering of Split AC units
- Split AC repair and servicing
- Installation of Turbo Air Ventilator at Basket Wash Roof
- Milk tanker cleaning services (external and internal cleaning)
- Supply & installation of fire hydrants
- Installation of lighting fixtures
- Supply & installation of electrical lights and poles
- Fabrication and installation of door hinges and other fixtures
- Maintenance and inspection of electrical systems

2. PLUMBING & DRAINAGE SERVICES

We offer a comprehensive range of services designed to meet the needs of various industries. Our Installation & Maintenance Services include the setup and upkeep of essential equipment, from AC units to fire systems. Plumbing & Drainage Services ensure seamless water management, while Civil Construction Services handle everything from concrete works to flooring replacements. We prioritize Safety & Equipment Services by providing safety audits, gear, and personnel. Our Electrical & Automation Services focus on installations, repairs, and diagnostics. We specialize in HVAC & Refrigeration Services, ensuring optimal climate control. Additionally, we provide Materials Supply & Fabrication and Cleaning & Refurbishment Services to maintain the quality and functionality of your facilities.

SERVICES UNDER PLUMBING & DRAINAGE SERVICES

1. Plumbing materials and installation services
2. Drainage line replacement and repair
3. Installation of waste management systems
4. Supply of various pipe fittings, valves, and couplings
5. Water leak repair services (e.g., from pipe joints, tanks)

3. CIVIL CONSTRUCTION SERVICES

Super Global Host Trading and Contracting Company specializes in Civil Construction Services, offering solutions for residential, commercial, and infrastructure projects. Their expertise includes project management, structural construction, civil engineering, earthworks, concrete works, and road construction. Known for delivering high-quality results, they manage projects from design to completion while ensuring timely delivery and budget control. The company also provides renovation and rehabilitation services, improving existing structures for enhanced functionality. With a focus on sustainability and innovation, Super Global Host is a trusted partner in the construction industry, committed to providing reliable, cost-effective, and top-notch construction solutions.

SERVICES UNDER CIVIL CONSTRUCTION

- Concrete and masonry works
- Floor and wall tile replacement
- Concrete wall coring and floor breaking
- Supply of civil materials for workshops and other buildings
- Epoxy and paint applications for floors, ceilings, and walls
- Scaffold erection and dismantling for various installations
- Fabrication of custom metal works (e.g., SS footbath, door frames)

4. SAFETY & EQUIPMENT SERVICES

Safety & Equipment Services at Super Global Host Trading and Contracting Company focus on creating a safe working environment by conducting thorough safety audits and identifying potential hazards. We provide high-quality personal protective equipment (PPE) that meets industry standards, ensuring worker safety. Our services also include regular inspections and maintenance of safety equipment, such as fire extinguishers, alarms, and first-aid kits, to ensure they are always ready for use. Additionally, we offer equipment servicing and calibration to maintain optimal performance. By prioritizing safety and equipment functionality, we help businesses reduce risks, comply with regulations, and maintain a secure workplace.

SERVICES UNDER SAFETY & EQUIPMENT

1. Supply of safety equipment (helmets, gloves, jackets, boots)
2. Safety officer supply and management
3. Safety inspections and audits for equipment and personnel
4. First aid box supply and safety training services

5. ELECTRICAL & AUTOMATION SERVICES

Electrical & Automation Services at Super Global Host Trading and Contracting Company provide comprehensive solutions for the installation, maintenance, and repair of electrical systems and automated processes. Our services include electrical wiring, panel installations, and the integration of automation systems for improved efficiency. We also specialize in diagnostics and troubleshooting to identify and resolve electrical issues swiftly. By using advanced technology, we optimize energy usage and enhance system performance, ensuring reliable and cost-effective solutions for both residential and industrial clients. Our goal is to provide safe, efficient, and sustainable electrical and automation solutions tailored to each project's needs.

SERVICES UNDER ELECTRICAL & AUTOMATION

- Supply of electrical cables, switches, sockets
- Installation of power systems, including backup generators
- Electrical testing and diagnostics
- Control systems installation and repair

6. HVAC & REFRIGERATION SERVICES

We offer a comprehensive range of services designed to meet the needs of industries like Al Marai KSA. Our Installation & Maintenance Services include the setup and upkeep of essential equipment, from AC units to fire systems. Plumbing & Drainage Services ensure seamless water management, while Civil Construction Services handle everything from concrete works to flooring replacements. We prioritize Safety & Equipment Services by providing safety audits, gear, and personnel. Our Electrical & Automation Services focus on installations, repairs, and diagnostics. We specialize in HVAC & Refrigeration Services, ensuring optimal climate control. Additionally, we provide Materials Supply & Fabrication and Cleaning & Refurbishment Services to maintain the quality and functionality of your facilities.

SERVICES UNDER HVAC & REFRIGERATION

1. Air conditioning units (installation, repair, and maintenance)
2. Chiller unit servicing and maintenance
3. Installation of exhaust fans and ventilation systems

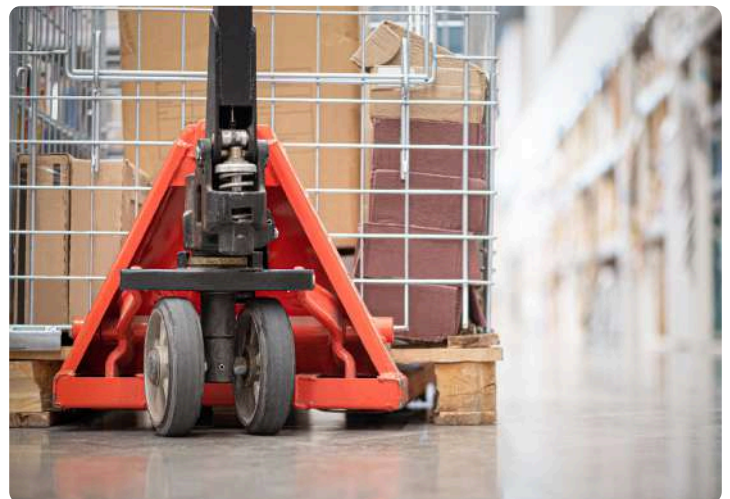

7. MATERIALS SUPPLY & FABRICATION

Materials Supply & Fabrication services at Super Global Host Trading and Contracting Company provide high-quality raw materials and custom fabrication solutions for various construction and industrial needs. We supply a wide range of materials, including metals, concrete, and specialized components, ensuring they meet the required specifications and industry standards. Our fabrication services include cutting, welding, shaping, and assembling materials to create bespoke structures and components. With a focus on precision and durability, we ensure timely delivery and efficient project execution. These services support businesses by providing reliable, tailored materials and fabricated parts to meet their unique requirements.

SERVICES UNDER MATERIALS SUPPLY & FABRICATION

1. Supply of raw materials such as steel, aluminum, copper, and plastic pipes
2. Supply of construction materials like cement, tiles, and paints
3. Supply of various mechanical and electrical parts
4. Fabrication of custom-made items like SS trolleys, signboards, etc.
5. Supply and installation of pre-fabricated items (e.g., roofing, drainage fittings)

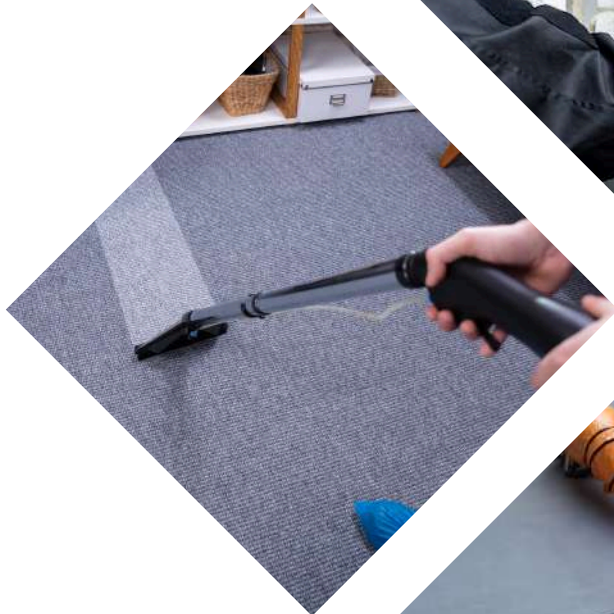

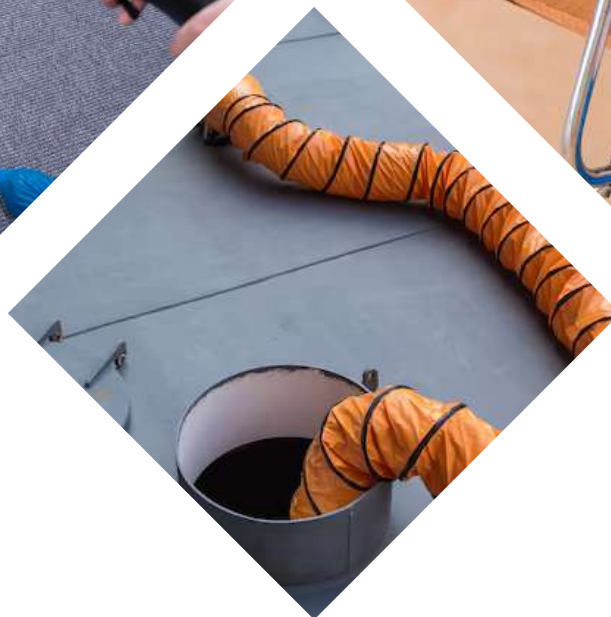

8. CLEANING & REFURBISHMENT SERVICES

Cleaning & Refurbishment Services at Super Global Host Trading and Contracting Company ensure that your facilities remain clean, functional, and well-maintained. Our services include comprehensive cleaning solutions for offices, industrial spaces, and construction sites, using industry-approved methods and eco-friendly products. We also specialize in refurbishment, offering services such as surface repairs, painting, flooring restoration, and equipment refurbishment to restore and enhance the aesthetic and operational quality of your spaces. By maintaining cleanliness and renewing the condition of your facilities, we help improve productivity, extend the lifespan of assets, and create a safer, more pleasant work environment.

SERVICES UNDER CLEANING & REFURBISHMENT SERVICES

- Industrial cleaning services (e.g., grease traps, exhaust ducts)
- Refurbishing and repainting of equipment and facilities
- Carpet, flooring, and upholstery cleaning
- Janitorial services for offices and common areas

9. VEHICLE RENTALS

Super Global Host Trading and Contracting Company is a leading provider of vehicle rental services in Saudi Arabia. Our extensive fleet includes pickups, buses, and trucks, designed to meet a wide variety of transportation needs. Whether you're seeking a vehicle for personal use, business purposes, or large-scale projects, Super Global Host offers dependable and efficient rental solutions. Committed to customer satisfaction, we aim to deliver a smooth and enjoyable rental experience to all of our clients.

10.RENTAL CAMPS

Super Global Host Trading and Contracting Company offers fully equipped rental camps tailored to support large-scale projects across various industries in Saudi Arabia. Our camps are designed to provide safe, comfortable, and practical accommodations for your workforce, no matter the scale or location of your project.

Each of our camps is equipped with essential amenities to ensure the well-being of your team. This includes air conditioning, reliable electricity, clean water, and hygienic sanitation facilities. Our fully furnished accommodations come with dining areas or on-site catering services to provide nutritious meals, keeping your workforce energized and healthy.

Our rental camps are flexible and customizable to meet the unique needs of your project, whether you have a small team or a large workforce. We prioritize safety and regular maintenance to ensure a clean, healthy, and comfortable living environment for your team.

11.CATERING SERVICE

"Nourishing Your Body, Satisfying Your Soul"

Super Global Host Trading and Contracting Company is your trusted partner in providing healthy, delicious, and diverse catering services in Saudi Arabia. From office meals to business lunches and customized food solutions, we prioritize both flavor and nutrition. Our expert chefs craft authentic Arabic dishes, rich Indian and Pakistani specialties, savory Bangladeshi delicacies, and a variety of international cuisines, all while maintaining the highest standards of health and quality. At Super Global Host, we believe that every meal should not only delight your taste buds but also nourish your well-being.

12.SOLAR PANEL FARM

Super Global Host Trading and Contracting Company is a leading provider of skilled services for large-scale solar panel farm projects in Saudi Arabia. With a strong focus on the Kingdom's ambitious renewable energy goals, we offer a comprehensive range of expertise, including electrical technician termination/T&C, labor services, electrical foremen, 3G welders, cable terminators, and bus drivers. As Saudi Arabia aims to source 50% of its electricity from renewable sources by 2030, we support the nation's transition to solar power through the installation, commissioning, and maintenance of advanced photovoltaic systems. Our skilled workforce ensures efficient and reliable project execution, contributing to the Kingdom's efforts to diversify its energy portfolio and reduce reliance on fossil fuels.

13.COMBINED CYCLE POWER PLANT

Super Global Host Trading and Contracting Company specializes in the design, installation, and commissioning of advanced power generation systems, with a focus on combined cycle co-generation power plants. Our expertise includes delivering integrated solutions utilizing dual-fuel systems, primarily powered by natural gas, with the capability to switch to fuel oil in case of shortages. We provide comprehensive services, including the installation of 3-to-1 combined cycle systems, featuring gas turbines, waste heat boilers, steam turbines, and related ancillary equipment. Additionally, we offer solutions that combine both three-to-one and single-cycle gas turbine systems, ensuring efficient and reliable energy production. Our services cover on-site commissioning, testing, trial operations, and full technical support, ensuring seamless integration and safety compliance throughout the project lifecycle.

14. SECURITY & COMMUNICATION SYSTEMS INTEGRATION

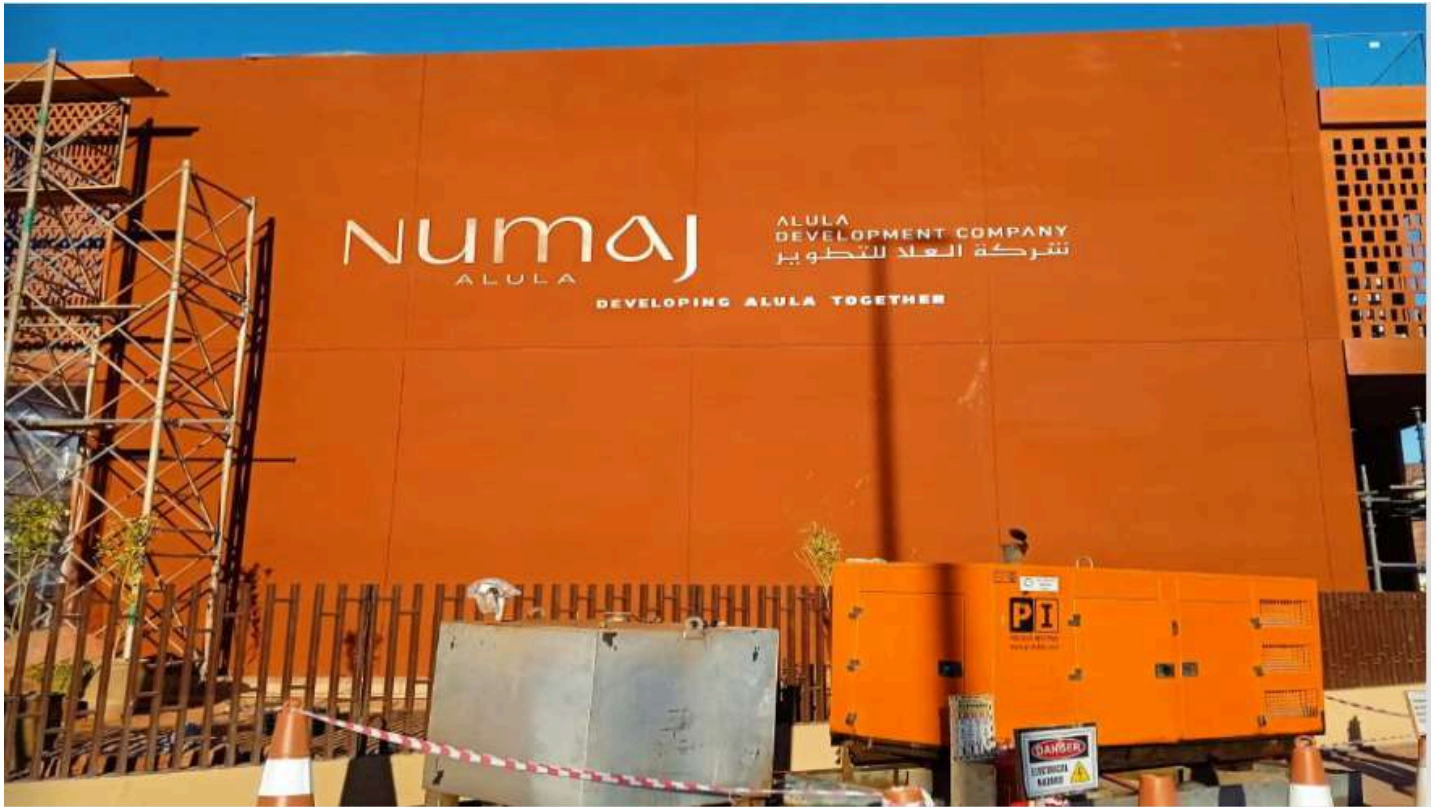

Super Global Host Trading and Contracting Company specializes in advanced Security and Communication Systems Integration services to safeguard your premises and enhance connectivity. Our expertise includes the design, installation, and maintenance of surveillance systems, access control solutions, fire alarm systems, and secure communication networks. We integrate cutting-edge technologies to deliver seamless, reliable, and scalable systems tailored to your needs. Whether it's for commercial, industrial, or residential projects, our solutions ensure safety, efficiency, and real-time communication, providing you with peace of mind and operational excellence.

EQUIPMENT RENTALS

Super Global Host Trading and Contracting Company offers a wide range of equipment rental services to meet the diverse needs of construction, industrial, and commercial projects. Our extensive inventory includes heavy machinery, tools, and specialized equipment, ensuring you have access to reliable, high-quality resources for every stage of your project. From excavators, cranes, and loaders to power tools and generators, we provide flexible rental options tailored to your timeline and budget. Our equipment is regularly maintained to ensure optimal performance, and our knowledgeable team is always ready to assist with selection and support. Trust us to deliver efficient and cost-effective solutions for all your equipment rental needs.

WHAT SETS US APART

Super Global Host Trading and Contracting Company distinguishes itself through a commitment to excellence, innovation, and client-focused solutions. Our team of experienced professionals brings unmatched expertise across a wide range of industries, ensuring that every project is executed with precision and care. We pride ourselves on delivering customized solutions tailored to meet the unique needs and goals of our clients while maintaining the highest standards of quality in materials, craftsmanship, and techniques. With a strong focus on sustainability, we integrate eco-friendly practices into our operations, contributing to a greener future. Our efficient project management ensures timely delivery without compromising quality, and our dedication to transparency and customer satisfaction builds lasting relationships with our clients. At Super Global Host Trading and Contracting Company, we are more than just a service provider—we are your trusted partner in achieving success.

WHY CHOOSE US

Super Global Host Trading and Contracting Company is your ideal partner for construction and contracting solutions, offering a blend of expertise, quality, and reliability. Our highly skilled team is dedicated to delivering exceptional results tailored to your unique requirements, ensuring every project is completed to the highest standards. We prioritize customer satisfaction through transparent communication, timely delivery, and innovative, cost-effective solutions. With a strong commitment to sustainability and a track record of excellence across diverse industries, we provide services that not only meet but exceed expectations. Choose us for a seamless experience where professionalism and attention to detail drive every aspect of your project.

COMPANY CONCERNS

Super Global Host Trading and Contracting Company, we prioritize addressing the critical concerns that shape our operations and client relationships. Ensuring quality assurance is at the forefront of everything we do, as we strive to deliver projects that meet the highest standards of durability and craftsmanship. Safety and compliance are equally vital, with strict adherence to protocols and regulations to protect our team, clients, and stakeholders. Sustainability is another cornerstone of our approach, as we integrate eco-friendly practices and materials to reduce environmental impact and promote responsible development. Client satisfaction remains a key focus, driven by our commitment to transparency, trust, and delivering results that exceed expectations. Additionally, we emphasize efficient project management to ensure timely delivery without compromising on quality or safety. These core concerns reflect our dedication to providing reliable, innovative solutions that benefit our clients and support the success of their projects.
